BARRETSTOWN
a serious fun camp

25 October 2018

To all the Students in 6th Class 2017,

It's because of you that we're able to make Barretstown such a magical place for children with cancer and other serious illness. Thank you so much!

The amazing €605 you raised through your Farewell fair will help us bring even more children with serious illness to Barretstown.

Many of the children who come to our camps are still getting cancer treatment. Some are missing their hair. All of them have spent a lot of time in hospital, missing time in school, and time with their friends.

But then children come to Barretstown, and they have NON-STOP FUN! They start forgetting about hospitals and doctors. They get to do lots of fun activities like face painting in arts & crafts class, drama in the auditorium, baking in the new kitchen and canoeing in the lake. It really is a special camp programme that we've created just for children who are very sick.

Thank you again for organising a 6th class fair and raising money for Barretstown. Its thanks to amazing children, and schools like Hollywood National School that we can keep bringing children to our camps to have some serious fun!

Your sincerely,
